

‘Our group services the hospitality market via three focused subsidiaries each with their own studied area of expertise’

Lugo Group Europe is one of the UK's leading companies specialising in hotel and leisure interior refurbishment contracts.

Operating from its head office near Birmingham with a satellite sales office in London, LGE is well located to service its loyal client base of multi-sited and independent hotel operators.

LGE offers both its clients and their nominated architects well considered solutions to even the most challenging of hotel design briefs. All backed with a wealth of specialist experience in the hospitality interiors sector.

Our projects are both nationwide and international ranging from simple room decorations to more extensive structural refurbishments that redefine spaces.

LGE services the hospitality market via three focused subsidiaries each with their own studied area of expertise.

‘In a hospitality sector demanding bespoke design, specialism counts.’

‘Chrysalis has the experience within its team to ensure that a stunning hotel interior is delivered on budget, and on time.’

Chrysalis Contracts is a specialist interior refurbishment contractor to the hotel and leisure sector.

From simple room redecoration and soft refurbishments through to structural interior architecture, Chrysalis has the experience within its team to ensure that a stunning hotel interior is delivered on budget, and on time.

The company manages its site operations from its head office based in Lichfield near Birmingham and its satellite sales office in North London.

Our mission is for our clients to instinctively turn to us safe in the knowledge that we deliver creative solutions to challenging design briefs with products and services they can always trust.

Chrysalis considers all stages of the design process from model making, concept sketches, story boards, animations, AutoCAD drawings, product selection, finishes, and sample rooms.

We have a knowledgeable team of design professionals to consider all elements of the refurbishment from interior finishes to technical and structural designs.

We can work closely with the client's nominated architect to ensure that all elements of the interior scheme are carefully considered to provide design solutions that are stylish in appearance whilst considering operational efficiencies, and the long term maintenance issues.

‘Turning creative concepts  
into beautiful spaces.’
